The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
1036 Longworth House Office Building  
U.S. House of Representatives  
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Real Time Intelligence Center project in Fiscal Year 2027. The entity to receive funding for this project is the Burbank Police Department, located at 275 East Olive Avenue, Burbank, CA 91502. The funding would be used for equipment including monitors, server and storage systems, real-time analytics and integration software, and networking equipment for the department's brand-new Real-Time Intelligence Center.

The project is an appropriate use of taxpayer funds because it will promote and enhance public safety in the region by improving emergency response, reducing crime, and enhancing officer efficiency.

The project has a federal nexus because the funding provided is for purposes authorized by section 1701(b)(9) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(9)). I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Laura Friedman  
Member of Congress
