The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations

U.S. House of Representatives

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Real Time Intelligence Center Expansion project in Fiscal Year 2026. The entity to receive funding for this project is the Glendale Police Department, located at 131 N. Isabel St. Glendale, CA 91206. The funding would be used to add a network of city-owned surveillance cameras and secure data storage to the Real Time Intelligence Center.

The project is an appropriate use of taxpayer funds because it will promote and enhance public safety in the region by enhancing the Glendale Police Department's ability to prevent crime, respond to emergencies, and manage large-scale events efficiently. The project aims to increase public safety measures ahead of the 2026 World Cup and 2028 Olympics in Los Angeles.

The project has a federal nexus because the funding provided is for purposes authorized by section 1701(b)(8) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(8)). I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Laura Friedman
Member of Congress
